Dear Saints:

We greet you in the precious Name of our Lord Jesus Christ! We're Pastors Desmond & Nanda Richard. We live in the impoverished nation of Guyana, South America and we pastor Word of Life Ministries here. A pentecostal church wedge in the heart of a fierce Hindu village and there is lots of persecution, we're in a building project right now and we're humbly seeking your financial assistance. Our brother Cliff Russell will be coming to Guyana on 11-24-2013 to help us work on the building for two months. We've also asked him to present this need to our brothers and sisters in America so they can be a part of this memorial we're raising up unto the Lord Jesus Christ. Whatever you give will help us to buy building materials and do all that's necessary for the completion of our sanctuary.

We thank you for your heart in missions and for strengthening our hands as we win the lost for Jesus here in these forgotten parts of the world!

Yours in Christ,

Rev. Desmond T. Richard
